PLAY **Heads or Tails**

Win a brand new **Apple Mini iPad with 16GB plus a cover**

Valued at $329 plus!

**ONE** chance for **$10**  
**THREE** chances for **$25**  
**MAXIMUM THREE CHANCES PER PERSON**

Each chance is represented by a bead necklace.  
Each chance you buy gives you the opportunity to play “Heads or Tails.”

This game will be played during the Live Auction.

Auctioneer Matt Holiday will ask all those with chance(s) to stand and place their hand on their “head” or “tail.”  
If the flip of his coin lands on heads, those with their hand on their head remain standing and continue in the game.  
Those with their hand on their “tail” remove a chance necklace.

If they still have at least one necklace, they remain standing.  
Otherwise, they sit down to cheer on their friends.

The coin flips continue until the last person is standing and that person is the winner of a brand new Apple Mini iPad, valued at $329 plus!
